

KETTERING SISTER CITIES COMMITTEE

Dear Kettering Business Owner:

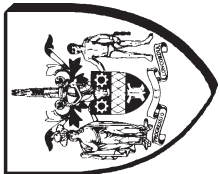

The Kettering Sister Cities mission is to build people-to-people relationships, based on youth and adult exchange visits and social and cultural gatherings with our sister cities worldwide. Our committee has been in existence for over 50 years. Kettering has celebrated over 42 years of youth exchange opportunity with Steyr, Austria. We have been recognized by Sister Cities International, being awarded in 1987 for Best Overall Youth Exchange and in 2017 for Best Overall Program. The goal of fundraising for our program is to help subsidize those who attend the youth exchange program and to provide in our community social and cultural exchange. Your Business Supporting Membership and/or donation will help us achieve this goal for our community.
